

## AFSC - Robins AFB GA FACTS Sheet

**Overview:** Robins Air Force Base (RAFB), located in Warner Robins Georgia, is part of Air Force Materiel Command (AFMC), which obligates approximately 70% of AF contract dollars. Robins AFB is one of 3 sustainment complexes which are part of the Air Force Sustainment Center (AFSC) headquartered at Tinker AFB OK. Robins is home to multiple missions under multiple commands all working together to support American's defense. Requirements which are issued from Robins Contracting are initiated from our major mission partners including the Warner Robins Air Logistics Complex (WR-ALC), the 78<sup>th</sup> Air Base Wing (ABW), AF Life Cycle Management Center (AFLCMC) and the 638th Supply Chain Management Group.

**Mission of AFSC:** Provides war-winning expeditionary capabilities to the warfighter through world-class depot maintenance, supply chain management and installation support. The ALC manages depot-level maintenance production and manufacturing facilities and laboratories in the restoration of Air Force equipment and aircraft to serviceable condition. The 78<sup>th</sup> ABW is the host organization and is responsible for facilities and equipment support, for logistics, medical, civil engineering, security and mission support functions. AFLCMC, headquartered at Wright Patterson AFB OH is responsible for the total life cycle management of Air Force weapon systems. The 638<sup>th</sup> mission is to provide life cycle sustainment support for aircraft structural, communications, and electronic commodities. The weapon systems supported include: C-130 Hercules, C-5 Galaxy, C-17 Globemaster, E-8 Joint STARS, F-15 Eagle, Predator/Reaper, U-2, Special Operations Forces (to include Helicopters), Automatic Test Equipment, Support Equipment and Vehicles, Electronic Warfare and Avionics, and Armament.

**Tenants at Robins AFB:** The base is also home to Headquarters AF Reserve Command, GA Air National Guard and active duty wing operating J-STARS aircraft, the 689<sup>th</sup> Combat Communications Wing, the Marine Light Attack Helicopter Squadron and Defense Logistics Agency.
