

## SAVE THE DATE: 2024 AFMC SMALL BUSINESS COLLIDERS

**Updated: 11 Apr 2024**

Free and open small business events, known as Colliders, take place to identify opportunities, build relationships, and share supporting resources. Attendance allows for engagement with fellow community members from business, government and academic circles. Attendance may be virtual or in person at the Wright Brothers Institute, 444 East 2<sup>nd</sup> Street, Dayton, OH. Below are the dates for upcoming Colliders hosted by AFMC/SB. More details will be provided closer to each event. New events will also be added.
