WGI Buy-In Calculation

Basic Pay = (Time in Step/Time Between Steps) x Step Increase + Current Salary

Classification & Staffing

WGI Buy-in Explanation

GS employees who have accrued time toward their next Within Grade Increase (WGI) or Step Increase will receive a one-time “WGI buy-in” pay adjustment to compensate them for their time served under the GS System

What is a WGI buy-in?

- **A prorated pay increase to an employee's rate of basic pay to account for the time towards their next WGI**

How is the buy-in calculated?

- **Based on the number of calendar weeks between the effective date of the employee's last equivalent increase and the date of the conversion into the AcqDemo**

Who is eligible for the buy-in?

- **Employees below the step 10 pay level**
- **Employees with a fully successful or higher performance rating**

Who is not eligible for the buy-in?

- **Employees who are at the step 10 pay level**
- **Employees on retained pay**
